

EUROBANK EQUIPPED TWO COMPUTER LABS IN THE SECONDARY SCHOOL OF ECONOMICS IN KRAGUJEVAC

Belgrade, September 27, 2021 – Eurobank’s seventh donation within its stand-alone CSR project ‘School Designed for You’ was provided for the Secondary School of Economics in Kragujevac. The Bank provided 25 computers, a server and pertaining equipment for the Banking Computer Lab and the Insurance Company Training Computer Lab for students of this school. The donation is worth more than 1.2 million dinars, and funds were raised through the ‘Eurobank Big Heart’ Mastercard affinity credit card. The new equipment will be useful for future banking and insurance sales specialists and clerks in their further education.

Also, aiming to additionally improve quality of their education, Eurobank has, in cooperation with the ‘Laguna’ publishing company, provided all students of the Secondary School of Economics with a discount on books and the gift program in Laguna and Delfi bookstores in Kragujevac.

‘We believe that young people are the major generating force of society and that it is necessary to give them support and provide them with adequate conditions for development and advancement. We are very proud to contribute to their professional growth in these challenging times as well, with strong support of the Ministry of Education, Science and Technological Development, as well as of clients, users of the Mastercard affinity credit card. So far, we have invested more than 7.2 million dinars through the ‘School Designed for You’ project, enabling better-quality education of secondary schools of economics students in Serbia,’ said **Slavica Pavlović, President of the Executive Board in Eurobank.**

‘This is a very important donation for the Secondary School of Economics in Kragujevac and we are grateful to Eurobank, as a socially responsible company, for recognising needs of our education system and deciding to invest in youth education. The equipment donated to this school will be of huge assistance to students, who will be better prepared for the labour market after graduation. A common goal of all of us is to invest efforts in providing high-quality conditions for work and learning,’ said **First Deputy Prime Minister and Minister of Education, Science and Technological Development Branko Ružić.**

Eurobank a.d. has been operating in Serbia since 2003, and today the bank is a leading foreign and financial organisation in the country, with its total assets standing at EUR 1.69 billion and loan portfolio of more than EUR 1.22 billion (as of 31/12/2020). After more than 15 years of successful business in Serbia, Eurobank and its affiliates offer a wide range of standard and innovative banking products and services. Eurobank’s branch network consists of 80 branches and five corporate banking centres in key business, cultural, and historical locations. For more information, please visit www.eurobank.rs.

The Eurobank Group is a dynamic banking organisation active in six countries with EUR 70.9 billion in total assets and 11,329 employees. Founded back in 1990, the Group continues its dynamic growth in stable and determined steps, focusing on different needs of its customers. The Group’s network of 623 branches both in Greece and abroad offers a comprehensive array of financial products and services to retail and corporate customers.

'The new equipment for the computer labs will contribute to students' higher interest in and motivation for learning and acquiring new knowledge. Also, teachers working in these computer labs are eager for additional advancement and training in banking and insurance. Eurobank confirms that it understands needs for investing in education of young people, so that they can start working in the banking and insurance sector immediately after graduation. I hope that students and teachers will embrace the privilege of using equipped computer labs for learning in the best possible manner, to everyone's satisfaction,' said **Ivan Božović, Principal of the Secondary School of Economics in Kragujevac.**

Eurobank launched the stand-alone SCR project 'School Designed for You' in 2018 and eight computer labs in six cities of Serbia have been equipped so far, with more than 7.2 million dinars invested up to now.

The 'Eurobank Big Heart' Mastercard card is a credit card with an additional humanitarian value and a visual identity created by a student of the Secondary School of Arts in Niš. Every time you pay for something with this card or withdraw cash from an ATM with it, the Bank allocates a specific amount of its revenue for secondary schools across Serbia. Those funds are used for equipping and modernising classrooms and computer labs.

By continuous use of the Eurobank Big Heart credit card, we contribute to an important humanitarian cause – equipping and modernising secondary schools in Serbia.
